Join our online membership meeting: Navigating the funding crisis together

article, fundraising, trans activists

Your feedback so far has been invaluable in helping us design responsive and strategic interventions. We know that in times like this, we need to collectively work together. That is why we are now inviting you to an online membership meeting, where we will connect, share strategies to cope with challenges and explore alternative fundraising.

During this gathering, you can engage, share, and learn from each other, and speakers from organisations including RFSL, Insight, and alternative fundraising expert Daniel Benitez-Posada, to get the tools and resources you need to support your vital work for trans communities
