

Our work with members

We offer tools, resources, and training. Additionally, members can sign up for one-on-one consultations.

Our consultations can focus on:

- Fundraising and grant writing
- Organisational development
- Community organising
- Advocacy and policy work
- Other specific needs of our members

How can I get involved in your community?

The best way to be involved is to become a member. Our members enjoy a wide range of benefits, including setting TGEU's direction and goals, and access to member-only training, consultations, and resources.

As a member, you can:

- **Connect to the movement** through our mailing list, including trans-info Europe and TGEU members, and our Newsletter: be the first to learn about relevant developments and opportunities, and stay in touch with trans activists from all over Europe and Central Asia.
- Attend the **European and Central Asian Trans Council**: this is the largest gathering of trans activists in Europe and Central Asia. The Council is held every two years to align joint goals and strategies.
- **Vote for TGEU leadership and direction**: every two years, TGEU members vote for our Board, as well as approve our strategic direction. Members are also eligible to run to become Board Members.

- **Fundraising Empowerment Programme** – A training programme helping trans groups and activists

improve their fundraising skills and organisational sustainability.

- **PeerNetz** – A virtual community space for TGEU members to connect, share experiences, and build a sense of belonging.

In addition to our regularly scheduled work with members, we also work with members at the national level to advocate for country-level policy. We have successfully contributed to passing several legal gender recognition laws based on self-determination, and continue to work with local organisations to pass more
