Date: Saturday 11 October 2025

Time and location:

- Memorial session in English with Spanish interpretation

This gathering will bring together voices from many faith and spiritual traditions to acknowledge her journey, as well as the work she did to elevate the human rights of trans people and LGBTI communities across the Pacific and the world.

Together, we will share prayers, reflections, music, and memories to celebrate Ymania, whose vision for a more just and loving world touched so many lives across her path.

You're welcome to bring a candle to light or something meaningful to you as we join in community across distances.

With gratitude and solidarity,
